WARM GREETINGS FROM YOUR OLD HALL CEMETERY

As North Texas moves from a beautiful spring into a warming summer, we are pleased to remind you of our two historic remembrances--- Old Hall Cemetery's DECORATION DAY and our nation's MEMORIAL DAY. These deeply special occasions this year will be on the weekend of May 24-25. As you may know, our Decoration Day is in remembrance of friends and family at peace in Old Hall and our Memorial Day is our nation's expression of eternal gratitude for those who sacrificed for the freedoms we all enjoy. Please know you are invited to a brief service on Monday, May 25th offered by our local chapters of Scouting America and Veterans of Foreign Wars.

For those who visit Old Hall, we trust you will appreciate the continuing efforts of our volunteers to preserve the beauty and grounds of our cemetery. And, especially, we hope you will see our second columbarium which is installed near the historic tabernacle. This structure was completed earlier this year and now offers solace to families who have selected cremation. Of course you may notice, too, our continuing efforts to restore older monuments throughout the cemetery which have fallen and broken.

As our volunteers remain focused on the appearance of the cemetery, we must appeal to you for support. Being a nonprofit cemetery managed only by volunteers, our financial ability to do this work must come from each of us. Surely this would be the ideal time for all of us to offer a contribution in memory of family and friends at Old Hall and in solemn memory of our nation's heroes who have fallen in support of us all. If you will, please mail your contribution, payable to Old Hall Cemetery Association, to PO Box 498, Lewisville TX 75067. Our Treasurer Dianne Hayes Mayfield will send you a receipt acknowledging your donation.

Please know that we sincerely appreciate your help to ensure that Old Hall remains a place of natural beauty—the finest tribute we can offer to the memory of our loved ones now at peace at Old Hall Cemetery.
